BIOGRAPHY

J. CALEB PERKINS

J. Caleb Perkins is an influential leader, community organizer, public speaker and author of "Remedy Network". He is an audacious millennial who carries a timely message of change through the art of storytelling. He has championed the support of prominent political leaders, activists, entertainment icons and successful business leaders on investing into the next generation- including members of the New York City Mayor's Office, cast members from The Fresh Prince of Bel Air, and production members from Beyonce's LEMONADE visual album to name a few. Caleb is using the avenue of media as a champion for mental health, social justice, healing, and influence for the next generation in New York City and around the globe.
